1) Suchbeispiel Schweizer (CH) Aufsätze (i) zum Erbrecht (67):

The screenshot shows the swisscovery search interface. At the top, there are links for "Neue Suche", "Indexsuche", and "Hilfe". The main search area has a "Suche in" section with three radio buttons: "swisscovery Basel", "swisscovery" (which is selected and circled in red), and "Central Discovery Index (CDI)". Below this, there is a "Suchfilter" section with a red box around the "Klassifikationen" dropdown (set to "ist (exakt)") and the "CH 67 i" text input. To the right of the search filter, there are dropdowns for "Materialart" (set to "Alle Exemplare"), "Sprache" (set to "Alle Sprachen"), "Startdatum" (set to "Tag", "Monat", "Jahr"), and "Enddatum" (set to "Tag", "Monat", "Jahr"). Below the search filter, there is a "UND" dropdown, a "Beliebiges Feld" dropdown, and an "enthält" dropdown. A "Geben Sie einen Suchbegriff ein" input field is also present. A "Löschen" button is located below the search filter. At the bottom, there is a "Suche" button and a "Einfache Suche" button. The search results section shows "Klassifikationen ist (exakt) CH 67 i".

2) Suchbeispiel für das Völkerrecht (D) mit Aufsätzen (i) zur EMRK (18.2):

The screenshot shows the swisscovery search interface. At the top, there are links for "Neue Suche", "Indexsuche", and "Hilfe". The main search area has a "Suche in" section with three radio buttons: "swisscovery Basel", "swisscovery" (which is selected and circled in red), and "Central Discovery Index (CDI)". Below this, there is a "Suchfilter" section with a red box around the "Klassifikationen" dropdown (set to "ist (exakt)") and the "D 18.2 i" text input. To the right of the search filter, there are dropdowns for "Materialart" (set to "Alle Exemplare"), "Sprache" (set to "Alle Sprachen"), "Startdatum" (set to "Tag", "Monat", "Jahr"), and "Enddatum" (set to "Tag", "Monat", "Jahr"). Below the search filter, there is a "UND" dropdown, a "Beliebiges Feld" dropdown, and an "enthält" dropdown. A "Geben Sie einen Suchbegriff ein" input field is also present. A "Löschen" button is located below the search filter. At the bottom, there is a "Suche" button and a "Einfache Suche" button. The search results section shows "Klassifikationen ist (exakt) D 18.2 i".
