The Faculty of Law Library uses two different call number systems:

- the call number of the **main department**, containing the catalogue prefix (JF; not noted on the book label), a capital letter, a Roman numeral and an Arabic numeral on a **white label** (e.g. A III 123);
- the call number of the **classified set-up „basic literature“** containing the catalogue prefix (JF; not noted on the book label), the country code, a class number, the first four letters of the author's name and the year of publication on a **coloured label** (e.g. CH 66 MUEL 2014).

The Faculty of Law Library is a **reference library**, meaning media cannot be borrowed.

The use of the library is governed by the Library Regulations.
